None

6. TREASURERS REPORT:

Drozdak's treasurers' report is attached in the permanent file. Wyatt asked what was the capital expenditure in the General Fund. Drozdak replied did not have that information, but would have at next meeting. Wyatt said that the legal should be winding down on Wellford. Motion by Wyatt, seconded by Owens, with all present in favor, the report was accepted.

7. DEPARTMENTAL REPORTS:

Police Department –

1st Sergeant Michael Hames substituted for Chief Terry Richards, presented the monthly report and the complete report summary is attached in the permanent file. The Mayor noted that for informational purposes a person from audience a person wanted to mention that she was at 1 am she was taking things from her car and a Police Officer pulled in. He said that the doors were open and proceeded to question her, and they deserve a pat on the back for checking. McIntyre asked about the death investigation, Hames said was suicide, and any death have to go out.

Fire Department –

Chief Jim Redd presented the monthly report, and the complete report summary is attached in the permanent file. Had 63 calls, with a 5 minute average response time. No significant fires. Wyatt asked about apparatus calls, Redd said for a house fire requires 3 apparatus. Wyatt also mentioned that it was fire prevention week, Redd said that doing it in schools. Redd said abatement condemn house on Virginia, the owner in Utah, has received the letter, but not responded.

Public Works –

Alan Johnson presented their monthly report with the complete report summary attached in the permanent file. Wyatt asked about tree removal on Upland and risk of removal. Mayor said intend to see about track hoe and big truck instead pay for \$400,000. Wyatt said one of his concerns have is inland port will put traffic on Spartanburg Road. Mayor replied more concern is the rains on bank for a washout. Owens asked about Lawrence Street house, Johnson said suppose to be there today, but will be tomorrow. Wyatt said likes education point on lab data the label 2013 toxicity is a separate measurement. Johnson said yes, water fleas some say toxicity shows how well plant is run. Wyatt asked what is outlook on PCB? Johnson said there may be more legal fees, a lot of unknowns, DHEC over reaching, but if let us do what we want may be okay. Everyone in the State has to treat for PCB. McIntyre said that before the incidents were aware we have PCBs. Johnson replied old basin, some related to grease traps. McIntyre said really early, couple months and any redress to get from the violators. Johnson said three utilities trying get government money, talk to Trey Gowdy, but had a show cause here did not go as well. McIntyre said as a citizen asking if people did not do before spending tax payer dollars if some company or individual did. Johnson said if can trace to origination, Wyatt said to summarize believe concealed the contamination and awaiting on plan. At this point the cost is on us. Johnson sent letters to everyone with grease traps to get grease traps tested. Wyatt said everyone is but the person is suffering. Johnson said city tested grease traps and found 1, we have 2, and REWA has 8. Has pretty good idea , wish could say we do know, going down 290. McIntyre asked if cleanup comes out of surplus, Wyatt added a ballpark on the expense. Johnson answered replied could be less than \$500,000, will rent filters with our people and not use contractors. Wyatt asked if any safety precautions, Johnson said just normal, use PPE's. Chappell said have a comment on community and Spartanburg on trees and weeds to see down towards the Mill Village, at the corner of the parking lot, left side by the dumpsters. Mayor said is part of the railroad spurs.
